PERSONAL AREA

I'M PUNYAKO NYA

PUNYAKO

She's not actually a cat. She's not human either though. She's a cat magic user

CUSTOMER

Probably in high school. He still hasn't given us his name, for now we'll call him "Had a fish sausage in his bag for some reason" guy

GROWING HAIR

Now Loading

BEARD

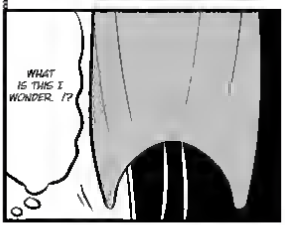
This cat beard isn't quite fair decoration, it changes her mental state, and they play a very important role as a sensor. Let's not cut them or pull them out.

PEELING MAN

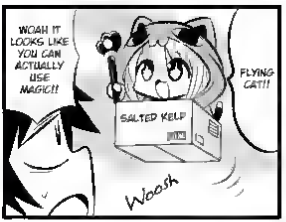
In general it's said that sausage is easier to peel for men than women, but the reason for that isn't very clear.

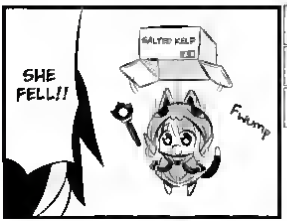
Check out the 4 koma about a kiddie-tween little girl (Momiri-chan wa yaruki n desu) there's 4 volumes out!

MAGIC CREATURE



SOFT LANDING





FALLING

This spell allows her to fly in her "salted kelp box" she can fly up, down, left or right. It'll be pretty bad if she fell out of the box.

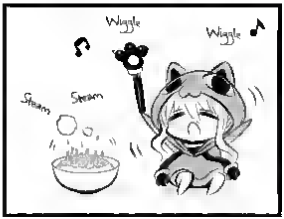
MAGIC CREATURE

She's able to use the panels of the 4 koma manga to expand.

We come out at night. This is a cats world, a paradise. When we meet I said "What's your name?" I have plenty of friends already. Because of that I don't think we're that close.

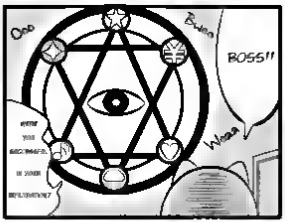
BANQUET

THE SOME KIND OF FRIED FISH



FUOYAAAAA

THAT NIGHT



I ALSO GOT A HIDEOUT SPOT NYA
INFILTRATION NYA THANKS TO THE CUTENESS OF CATS IT WAS NO PROBLEM NYA.
UNDERSTOOD. AS SOON AS YOU'RE PREPARED, I'LL SEND THE OTHERS.

FANG

Kenji's kind and big breasted mother. Because Kenna's work without a big breasted character is like August without summer vacation. Or like a santa that doesn't laugh.

Punyako works for him exclusively. Haven't really decided his role yet..... It's surrounded in mystery.

YOU CAN READ THE SECOND CHAPTER ON THE RIGHT!!
(NOT IN ENGLISH YOU CAN'T LOL)

EVERYTHING LITERALLY
EVERYTHING CLEANING
TRANSLATION AND TYPESETTING
BROUGHT TO YOU BY:

KORU

BOY OH BOY I HOPE YOU ENJOYED, I KNOW I SURE DID, WHICH MAKES THE PURE PAIN OF NOT SLEEPING TO FINISH THIS A LITTLE BIT BETTER.
